(See Supplement.)

H. C. Howard offered the following resolutions which were adopted:

Whereas, the Educational Commission of the Methodist Episcopal Church, South, has decided, after fully reviewing the case, and being guided by the opinions of eminent counsel, that it was wholly without power to convey or transfer to the original patronizing Conferences any right, title or interest, in Vanderbilt University, which finding is now brought to us by our Commissioner, J. S. Chadwick, therefore be it

Resolved, First, that we accept the decision of the Educational Commission of the Vanderbilt University question.

Second, That in this acceptance of the decision of the Educational Commission, and the decision of the Supreme Court of Tennessee, we are unshaken in our conviction that in equity Vanderbilt University is today our property, and that our fathers laid the foundations of an institution to be owned and controlled by the Church they represented in the establishment of Vanderbilt University. Our conviction was expressed a year ago when we instructed "Our Commissioners to agree to no terms that did not recognize the ownership and right of control of the entire University by the patronizing Conferences."

Third. We rejoice in the auspicious opening of Emory University, at Atlanta, and the Southern Methodist University, at Dallas. We have today in these two Universities more than twelve hundred students, and nearly five million dollars in property and endowments. These institutions have been made secure to the Church by deeds of gifts and by charters, and we have full confidence that they will be thus held to the end. To Emory University and to Southern Methodist University we pledge our prayers, our faithful co-operation, and our financial support.

REPORT OF AGENT OF SUPERANNUATE HOMES.—1.

To the Bishop and Members of the North Alabama Conference—Dear Brethren:

It is with grateful hearts that we acknowledge the blessing of the Lord upon our superannuate home movement during the year.

Notwithstanding the unprecedented financial depression of the country the first few months of the year, substantial progress has been made in our work. We have built one home at Pell City in the Talladega District during the year. The home is occupied by Rev. Joshua Warren and wife. Bro. Warren superannuated at the last Conference. It is worthy of special note that he assisted us greatly among his special friends in securing that home.

The estate of Mrs. M. O. Letsinger (deceased) that was devised by will for superannuate homes, was recently turned over by the Court to your Agent. The estate consists of one hundred and fifty acres of land on Tennessee River, near Sheffield, in the Florence District, and valued at \$7,500.00. There are also a few notes of small amounts that may be collected; and five shares of stock in the Union Farmers' Warehouse. Mr. M. R. Julian, Birmingham District, has donated 2400 shares of stock in the Julian-Beggs Signal Co., at \$5.00 per share, aggregating \$12,000.00 of stock. We appreciate this donation of Mr. Julian made in honor of his wife, (deceased), and hope it will prove a valuable asset. Rev. R. T. Tyler, his pastor, was instrumental in securing the same.

Mrs. Elizabeth C. Morriss has contributed \$1,000.00 to be used in a memorial cottage in honor of her husband, John E. Morriss (deceased), the honored founder of this great movement.

Mr. R. S. Munger and his good wife have assumed the permanent upkeep of the home donated by them at Owenton some years ago. They have spent during the year about \$600.00 for improvement and repairs.

We have put a new roof on the Sunshine Home at Gadsden. Mrs. L. E. Timmons, the present occupant, contributed \$25.00 on the work. A new roof has also been put on the Ellis Memorial Home at Avondale; Mrs. J. D. Ellis, who occupies that home has contributed about \$45.00 in improvement during the year. Mrs. C. D. Brooks has contributed about \$40.00 on the Lydia Pettyjohn Home, occupied by her at Powderly; some other repairs have been made during the year.

By special request the Executive Committee will arrange for the regular pastor to occupy the Home at Chepultepec another year.

Mrs. Lela R. Allison has died during the year, and our Sunday School Home at Gadsden has been assigned to Misses Mary and Carrie Newman. It has been arranged, also, with the Executive Committee for Mrs. V. O. Hawkins to occupy the Tarrant Home at Tarrant City. Mr. Geo. B. Tarrant informs your agent, that he expects to build that Home in the next few weeks. We keep the homes insured and policies paid to date.

Our cash receipts aggregate.....	\$ 3,710.00
The approximate value of the 32 homes is.....	75,000.00
The approximate value of homes pledged to date is.....	35,000.00
The subscription is approximately.....	2,500.00

Your agent has had the hearty co-operation of your excellent Executive Committee, composed of Rev. L. C. Branscomb, D.D., Chairman; J. D. Moore, Treasurer; F. I. Tarrant, E. J. Garrison, J. D. Simpson, D.D., together with your worthy Board of Trustees, composed of all the Presiding Elders of the Conference, and one layman from each district.

We earnestly request continued interest in your prayers for this great cause.

Very respectfully

J. W. NORTON,
Agent and Trustee.

REPORT OF BOARD OF TRUSTEES.—2.

The Board of Trustees for Superannuate Homes, met at the Methodist Church at Athens, Ala., Nov. 2, 1915, 7:30 p. m.

The Board is gratified to learn from the report of our Agent, Rev. J. W. Norton, and the Minutes of the Executive Committee, that splendid success has crowned our efforts in this great department of our church work during the year. The Board recommends the election of D. Isbell, Albertville District, L. G. Pettyjohn, Bessemer District, and J. D. Moore, (Treasurer), Birmingham District, trustees for four years, as their term of office expires with this Conference year.

The Executive Committee ratified and approved the expenditures of our agent and treasurer during the Conference year.

The Board of Trustees agree with the Executive Committee in respectfully declining to enter into a lease-contract which was submitted by Mr. Agee, executor for the life estate of the late Mrs. Virginia Higgins, which was devised by will for superannuate homes, a few years ago.

The Board of Trustees recognize the faithful and efficient work of our Agent, Rev. J. W. Norton, during the past year, and respectfully recommend him to the Presiding Bishop for re-appointment to this work for another year.

L. C. BRANSCOMB, President.
IRA F. HAWKINS, Secretary.

BOARD OF MISSIONS.

The unprecedented conditions confronting us—open fields, the recognized failure of the non-Christian religion to meet the needs of men, the direful awakening of the anti-Christian forces in the Orient and the necessary readjustment of world affairs growing out of the war in Europe—throw upon us the necessity of seriously undertaking anew the accomplishment of the one unfinished task before us.

Our assessment for Foreign Mission amounts to less than 22 cents per member, and for Home and Conference Missions only 18 cents. We urge upon our leaders the importance of paying these assessments in full.

We regard the Sunday School missionary policy of our Church as next to ideal, and urge its adoption, in whole or in part, in every school. The Sunday school affords the largest possible opportunity for missionary cultivation, and presents a simple, yet mighty agency for the enlargement of the work. It has been figured out that an average of \$16.00 from each Sunday School would amount to a quarter of a million dollars annually. We, therefore, recommend that in every case, where it is regarded by the leaders as in any sense feasible, the Sunday School undertake some definite special, proportionate to its ability. In the event that it becomes necessary to apply the Sunday School offerings on the Missionary assessments, we recommend that such offerings be added to the proportionate amounts raised otherwise, thus insuring the appropriation of the Sunday School offering to Missions, as provided by the Discipline.

Since the first four months of the Conference year present to us the most favorable financial conditions, we urge early payment, and recommend that we endeavor to pay the Home and Conference assessments by the first of March, and the Foreign assessment not later than Easter. Since the holding back of funds often involves delay in the work and increased expense, we recommend that pastors and Church Treasurers send all amounts, however small, to T. C. Banks not later than the 25th of the month, and that he be requested to remit to Dr. S. L. Dobbs all Missionary funds in hand promptly on the first day of each month.

We recommend that the Presiding Elders consider the propriety of holding an Institute in connection with the District Stewards' meeting, thus planning early for effective district campaigns.

We regard it as providential that the Interdenominational Layman's Missionary Movement has planned a great convention to be held in Birmingham, January 30 to February 2. The Presiding Elders have kindly agreed to hold their annual meeting at that time, and this Board will hold the mid-year meeting on those dates. This convention offers to us an opportunity of inestimable value and we must by all means avail ourselves of it. We believe that no less than 800 of our men should attend this convention, and we pledge ourselves to an earnest effort to secure their presence. We recommend that the Presiding Elder and District Lay Leader constitute a District Delegation Committee, and that at the first round of Quarterly Meetings provision be made for a Delegation Committee in each pastoral charge. Through the courtesies of our good people in Birmingham, free entertainment will be provided for all the preachers and for those laymen whose presence may be secured thereby.

We call attention to the Annual Missionary Conference to be held at Lake Junaluska next summer, and urge upon all our men the importance of attendance.

We are glad to note that continued and substantial progress goes on in our Conference field. Our Presiding Elders are pushing out into the neglected sections; our Mission Pastors have wrought well, and God has greatly blessed their labors. Our Evangelists are being largely used of the Lord, and the Church seems at last

to be coming into her own in the utilizing of this mighty agency. Brothers Bowen, Hanes, Akin and May report in the aggregate 89 meetings held; 4,520 conversions and reclamations, and 2733 additions to the Church.

The General Board has assessed this Conference \$21,700 for Foreign Missions and \$6,944 for Home Missions. We recommend an assessment of \$11,400 for Conference Missions.

We recommend the following appointments: R. M. Archibald, Conference Missionary Secretary; J. O. Hanes, General Evangelist; J. A. Bowen and J. A. May, Conference Evangelists, and J. W. Akin and H. M. Jones, Conference Missionary Evangelists.

We submit herewith the report of our Auditing Committee:

REPORT ON SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg leave to submit the following report:

We are glad to note the interest which our people have taken in the proper observance of the Sabbath day. We are profoundly grateful for the progress made during the year, but we note with regret that in many instances the Sabbath day is desecrated by automobile touring, open cigar and cold drink stands, railroad excursions, Sunday picnics, picture shows and games of various kinds. He, who said, "Thou shalt not kill," also said, "Remember the Sabbath day to keep it holy."

We recommend that the Pastors preach frequently upon this subject, and see that their members observe the Sabbath as a holy day.

We recommend the work of the Sunday League of America, and pledge it our support.

We endorse the strong sentiment in favor of Sabbath observance in the Alabama Christian Advocate.

May God speed the day when the Sabbath will be a day of rest and worship, and not a day of work and amusement.

T. K. TIERCE, President.

T. K. TIERCE, Chairman.

REPORT OF SUNDAY SCHOOL BOARD.

The Pastor who is not a Sunday School Pastor will be less in demand by forward-looking churches.

The Sunday School is a feeder to all church organizations; the recruiting station for all leadership—lay and ministerial.

It is the base of supplies for the Home and Foreign Field. It means to the Church a training school for the educated young people to become skilled laborers for the Master. The grace of liberality; the missionary spirit, revival power, church finances will find their earliest, sanest and most Scriptural development in the weekly Sunday School.

It re-discovers the sources of the spiritual life lost by the disappearance of the class-meeting, and reorganizes Methodism laid down by John Wesley on lines to meet modern conditions.

It is the mainspring of Methodism. Every wheel will find new power from a live, up-to-date Sunday School.

No Pastor, no Superintendent can afford not to see that every dollar invested in our capable and efficient President of the Conference Board, the consecrated and alert Field Secretary, the wise plans of our General Board are seed-corn that will yield a large harvest in increased salaries, new workers, more efficient methods, and Bible-instructed spiritual life.

We suggest that the Wesley Bible Classes, intermediate, Senior and Adult Classes present a way to mobilize our forces and organize them for any given Church purpose.

Resolved first, That this Conference study and use our own literature because it is best adapted to our own people.

Resolved second, That we stand for the latest methods according to the General Conference legislation concerning Sunday Schools in the Discipline.

Resolved third, That we urge the formation of Teachers' Training Classes in all our Sunday Schools and use our Manual.

Resolved fourth, That this Conference request Bishop Denny to appoint C. Wolford Field Secretary for the North Alabama Conference.

Resolved fifth, That the North Alabama Conference levy an assessment of 1 per cent on the basis of the assessment for the support of the ministry for the work of the Sunday School Board within the bounds of the North Alabama Conference.

REPORT OF THE SABBATH COMMISSION.

The Sabbath Commission submits its report herewith:

REPORT OF THE COMMITTEE ON BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals submit the following report:

Publishing House.

Statements in our hands show the assets of the Publishing House, with all its branch houses as being \$1,464,049.48. Sales for the year, \$993,136.11. Applied to superannuates, \$15,000.00. Notwithstanding unfavorable financial conditions growing out of the European War, the volume of business has decreased only \$3,449.99 from last year, which was the best year in the history of the House. New books are being published, and the outlook is reported as being decidedly favorable.

The Publishing House makes an exhibit at each Annual Conference of its books and periodicals. We note with pleasure the growing popularity of this plan, and commend the same to the continued cordial co-operation of our Preachers and people.

We commend the interests of our Publishing House to all our Pastors, and respectfully urge that they direct their people to do their purchasing of books, et. al., from our own House.

Sunday School and Epworth League Literature.

We are glad to note a decided increase—larger than ever before—in the circulation of our Sunday School literature. We regard these publications as of the highest order, and commend them most highly to our people.

The Epworth Era enjoys a subscription list of 20,000; and every subscription is paid in advance. During the year there has been an increase of 5,000. Each League Chapter observes one night in the year as Epworth Era Night. The Era is a choice periodical for the young people especially, and we respectfully urge that the League Chapters fail not in observing Epworth Era Night, and to this end we desire to enlist the co-operation of our Pastors.

Missionary Voice.

The Missionary Voice has had a decided increase in subscriptions this year. The present subscription list is about 45,000. We pray that the "Voice" may find a place in the home of every Pastor and every Church leader. For the consummation of this, our desire and aim, we beg the privilege of placing chief responsibility upon our Pastors and Presidents of Missionary Societies.

The Review.

It is cause for profound regret that the Review shall no longer feel the touch of Dr. Alexander's hand. In his untimely death we feel the deepest sorrow. Under his editorship the Review enjoyed the highest commendations from the world's greatest scholars. He will be greatly missed. But we hereby register our faith and confidence in the ability of our new editor, Dr. H. M. DuBose, and we commend the Review to those who appreciate such choice literature.

The General Organ.

The Nashville Christian Advocate is living up to its traditional charm and usefulness. We commend the work of our Editor, Dr. T. N. Ivey, and the Assistant Editor, our own beloved Dr. J. S. Chadwick. The increase in circulation is not what we would like to see it. We respectfully recommend that our Preachers make a faithful effort to put the Advocate in the hands of their official boards, and otherwise help to increase its circulation.

Alabama Christian Advocate.

We hereby register our unqualified confidence in the Editor and Assistant Editor of our Alabama Christian Advocate, and wish to thank them for services faithfully rendered.

In regard to the future of our Alabama Advocate, we beg to say that a very careful hearing has been given to every one who desired to come before the Committee. After careful deliberation we have reached a conclusion, which is as follows:

"Inasmuch as the General Conference recommends the redistricting of the territory of Southern Methodism in such a way as to strengthen our Conference organs; and, inasmuch as the Publishing Committee recommends that the two Georgia, the two Alabama and the Florida Conferences join in making a paper; and, inasmuch as our Publishing Committee, having carefully considered the matter, recommends the consolidation and having sent Rev. F. W. Brandon to see publishers of the Wesleyan Christian Advocate to secure a proposition; and, inasmuch as they make the following proposition:

"That the Alabama Christian Advocate may be consolidated with the Wesleyan Christian Advocate, the latter paper makes the following propositions to the Alabama Christian Advocate:

1. In the event of the consolidation of the aforementioned papers, it is agreed that the North Alabama and Alabama Annual Conferences shall have repre-

tion on the Board of Trustees of the Wesleyan Christian Advocate, said representatives of the North Alabama and Alabama Conferences to be elected under the same terms and conditions as obtain in the election of Trustees from the North and the South Georgia Conferences.

2. Should the papers be consolidated, the Wesleyan Christian Advocate will employ a representative from the Alabama Conferences to represent the interests of the paper in that territory, said representative from the Alabama Conferences to be named by the Editor of the Wesleyan Christian Advocate, and who shall work under the direction of the Editor of the Wesleyan Christian Advocate, and at such a salary as may be agreed upon by the Editor of the Wesleyan Christian Advocate and the said representative of the Alabama Conferences, until the next annual meeting of the Board of Trustees.

3. The Wesleyan Christian Advocate will take over the Alabama Christian Advocate and carry out all existing contracts of that paper, both for advertising and unexpired subscriptions, and for these only. It being understood that the Wesleyan Christian Advocate does not assume responsibility for any other contracts or debts due by the Alabama Christian Advocate. The subscription price after the fulfillment of these unexpired contracts, to be for the Wesleyan Christian Advocate in Alabama as elsewhere.

4. Should the consolidation of the above named papers be effected, the Alabama and North Alabama Conferences agree and pledge themselves that they will not establish any other Conference organ, or endorse or give a quasi endorsement to any other paper already established or that may be established, as its official organ, and the said Conferences further agree to do its utmost to extend the circulation of the Wesleyan Christian Advocate throughout the territory of the Alabama and North Alabama Conferences.

5. Any Conference becoming a party to this contract shall be at liberty to withdraw from same after the term of two years.

6. The consolidation of the papers shall be effected as early after the sessions of the above named Conferences for 1915 as possible, and must be in effect by the first day of January, 1916...

We, therefore, recommend its acceptance.

We also recommend that this Conference appoint three representatives, giving to them plenary power to act with like Committees from the other Conferences in perfecting the consolidation.

Recommendations.

We recommend the appointment of J. S. Chadwick to be Assistant Editor of the Christian Advocate.

(Signed)

G. H. MEANS, Chairman.

WILLIS T. HOWARD, Secretary.

Minority Report Book and Periodicals.

Whereas, our Publishing Committee of the Alabama Christian Advocate has recommended the consolidation of the Advocate with the Wesleyan of Atlanta, Ga., and, whereas, a majority of the Committee on Books and Periodicals have concurred in this recommendation; therefore, be it

Resolved first by the minority of said Committee, That we believe it would be a great loss in the circulation of the paper in our Conference, and therefore, a great loss to our Conference enterprises whose interest at this time are so imperial and vital, to remove the paper outside of the patronizing Conferences.

Second, We believe that it would be a great loss to the moral forces of our state; that its history proves it a most potent factor for righteousness in the state; that it has done, and there yet remains to be done, an incalculable service in this sphere; which service we cannot expect the secular press to perform, and to remove from Alabama would impair materially this service of our paper.

Third, That we instruct our Publishing Committee at their meeting next following adjournment of this Conference to receive and consider proposition for the continuance of the paper in Alabama.

Fourth, Since one such proposition has come to our Committee, we respectfully refer the proposition to the Publishing Committee, or to the Conference as

a whole without passing upon its merits. But we do believe that this or some other proposition can be had that is practicable and feasible.

(Signed) I. K. WALLER.

REPORT OF COMMITTEE ON LAY ACTIVITIES.

We, your Committee on Lay Activities, beg to submit the following report:

Only about half the District Lay Leaders have made reports to us. Hence, we are unable to give any accurate statistics concerning lay activities in our conference. From what reports we have received, there are indications of healthy progress and development during the year.

We recommend to Pastors and Church Lay Leaders that the Lay Committees be organized in every congregation; that they be thoroughly instructed regarding their work, and that earnest effort be made to see that all these committees give proper attention to their work.

We recommend that each Presiding Elder and District Lay Leader plan a district wide campaign for better business methods in handling Church business—this campaign to be held as early as practicable in the conference year. Respectfully submitted,

L. M. STEVENSON, Chairman.

T. H. RADNEY, Secretary.

REPORT OF VANDERBILT COMMISSIONER.

To the North Alabama Conference of the M. E. Church, South, Athens, Ala.

Dear Brethren:

As your Commissioner, appointed by you a year ago to represent the North Alabama Conference in the matter of the transfer by the Educational Commission to the patronizing conferences of all right, title and interest which the General Conference had in Vanderbilt University, I submit herewith my report.

The Educational Commission and Conference Commissioners held a joint meeting in Memphis, Tennessee, February 19, 1915. Of the eight Conference Commissioners, seven were present, and the one absent member, who was detained at home by reason of illness, stated his views in a letter addressed to the Educational Commission and the Conference Commissioners.

The instructions of the General Conference were as follows:

"Said Commissioners are hereby given full power and authority and directed to transfer and reconvey unto the patronizing Annual Conferences of Vanderbilt University, to-wit: The Tennessee, Memphis, North Mississippi, Little Rock, Arkansas, White River, North Alabama and Louisville Annual Conferences,—all right, title and interest, authority over and control in said University that the General Conference of the Methodist Episcopal Church, South, as such has, or may have, by virtue of the resolutions of conveyance to it adopted by the Annual Conferences in and to the property, right of supervision and control or confirmation of the members of the Board of Trustees of Vanderbilt University."

The position taken by a majority of the Commissioners present, your representative being one of that majority, was that they were instructed to receive from the Educational Commission the transfer of all right, title and interest in Vanderbilt University that the General Conference held, and then to represent their Conferences in any further action that should be deemed advisable, the Annual Conferences they represented to decide finally as to the disposition of the case.

The Educational Commission insisted that in view of the decision of the Supreme Court of Tennessee the only relation between the Church and Vanderbilt University recognized by this court was the qualified right to confirm Trustees, which qualified right the court expressly held arose out of contract only with the General Conference after the transfers to it by the original patronizing Conferences, or to any one else, except with the consent of the Vanderbilt University without power to convey or authorized to be conveyed to the patronizing Conferences, or to any one else, except with the consent of the Vanderbilt University Board of Trustees.

In this position of the Educational Commission that body was guided by the opinions of two disinterested and learned attorneys. In refusing to make a useless form of transfer the Educational Commission adopted resolutions which in part are as follows:

"Resolved, That this Commission finds itself wholly without power to convey or transfer anything whatever to said original patronizing Conferences as instructed, but finds that it is 'impossible to effect this transfer' in the meaning of paragraph seven above mentioned; and so believing the Commission is unwilling to stultify itself by the execution of a useless form of transfer and is further unwilling to authorize the institution of any further suit or suits by the patronizing Conferences or any of them or the expenditure of any money in futile litigation, believing that by such course 'it will best preserve and defend the interest and honor of the Church' and put an end to all further controversy of every character pertaining to Vanderbilt University."

Since no transfer was made by the Educational Commission, I merely report to you the result of the meeting held in Memphis, February 19th.

J. S. CHADWICK, Commissioner.

REPORT OF CHAUTAUQUA COMMITTEE.

Your Committee appointed to consider and report on a location for the establishment of a permanent Chautauqua Assembly for the North Alabama Conference make the following report:

We have visited the sites and considered propositions submitted by the owners of Shelby Springs, Shocco Spring and Clairmont, and after carefully considering these propositions, we recommend the selection of Shocco Springs as the site for the Assembly, and recommend that the Conference accept the proposition as submitted by Mr. L. J. McConnell, Secretary of the Chamber of Commerce of the town of Talladega, hereto attached and made a part of this report.

We recommend the appointment of a committee of three with plenary power to arrange and close up the details in behalf of the North Alabama Conference.

Proposition.

Dr. S. L. Dobbs, Chairman Chautauqua Committee of the North Alabama Conference.

With the view of having you to establish and locate at Shocco Springs the Assembly place of the North Alabama Conference Chautauqua, I beg to submit for the consideration of your Committee the following proposition:

Section 1. The Sale of lands, according to map attached, known as the Shocco Springs property, for the sum of \$10,000.00, without any restrictions or reservations whatever, except the conditions hereinafter set forth.

Sec. 2. The said property consists of forty acres of land; five or six springs in use; eleven cottages; one hotel building, with twenty rooms finished on first and second floors, and third story unfinished; one dining room separate and apart from hotel building, with a seating capacity of eighty people; one kitchen separate from dining room; one office building, consisting of three rooms, with a porch fourteen feet wide extending along the south side of said office building as well as the dining room and kitchen; one pavilion, with a seating capacity of approximately six hundred people; one large swimming pool, constructed of concrete and above ground, three to six feet deep, with a continuous flow of water; one shower bath; one automobile shed; one set of stalls sufficient for eight head of stock; one concrete reservoir, constructed for water supply for entire grounds. Said property being the same property which a number of your Committee personally inspected a few weeks ago.

Sec. 3. Appreciating the value of establishing such a proposition to Talladega, there is authorized to be applied in part payment of the purchase price a cash subscription of \$1,500.00, and a guarantee to underwrite \$7,000.00 of the remaining \$8,500.00 from the sale of cottages and vacant lots, such sales to be made under such restrictions and regulations as may be agreed upon by a Joint Committee

composed of representative business men of Talladega and members of the North Alabama Conference, leaving a net obligation of only \$1,500.00 to be assumed by the North Alabama Conference. As the guarantee to underwrite \$7,000.00 is confined to the sale of cottages and vacant lots, there would be left for the exclusive ownership and benefit of the Conference all buildings, other than cottages, mentioned in Section number two, together with all water rights, and any other rights which may accrue through a deed in fee simple.

Sec. 4. The condition referred to in Section One is that the Conference shall take immediate steps in the direction of planning for a permanent Chautauqua.

You are also assured, in addition to the above, the loyal support of both Churches of your own denomination, as well as those of every other denomination in Talladega, and also of a much interested, co-operative and public spirited citizenship of Talladega in making the undertaking a success.

L. J. McCONNELL,

Representative of Chautauqua Committee of Chamber of Commerce, Talladega, Ala.

(Signed) S. L. DOBBS, Chairman

J. H. WILSON, Secretary.

REPORT OF TEMPERANCE COMMITTEE.

We, your Committee on Temperance, beg leave to make the following report:

Within the last year conditions have so changed that a note of rejoicing and a prayer of gratitude go up from every heart. In all the terrific battles of the past with the liquor traffic in our State, we rejoice in the fact that our great Church has been fearless and has never quailed under the most discouraging circumstances.

We commend most heartily the Legislature of Alabama for its well planned organization which so easily and without a great contest brought about among the best prohibition laws in America. We are elated at the fact that even the liquor forces admit through their official organs that "prohibition does prohibit."

Whereas, Nation-wide Prohibition depends upon the personnel of our National Legislature, be it

Resolved, That we give our prayers and influence looking to a dry nation; to the election of Congressmen committed to vote for the resolution providing for the submission to the various States the question of National Prohibition; be it

Resolved further, That we call upon our various Representatives in Congress to vote and use their influence for the passage of Senate Bill No. 7739, known as the Abercrombie-Bankhead Bill, which forbids the sending of liquor advertising matter through the mails into dry territory.

We commend the W. C. T. U., and congratulate them on the part they have played in the success thus far attained.

The work of the Anti-Saloon League cannot be estimated, and we renew our allegiance to this worthy organization. We recommend that the Bishop appoint Rev. J. C. Persinger as Superintendent of the Alabama Anti-Saloon League.

We commend the Alabama Christian Advocate for the bold fight it has made and is making, and assure Editor Glenn that he has our prayers and co-operation.

We further commend the many secular papers, dailies and weeklies, throughout the State which have never bowed the knee to the rum-traffic.

L. F. WHITTEN, Chairman.

HENRY M. HURST, Secretary.

RESOLUTION.

Whereas, Upon the memorial of the Alabama Legislature a bill has been introduced in Congress, known as the Abercrombie-Bankhead Bill, for the purpose of excluding from the mails liquor circulars, advertisements and solicitations of orders for liquor, when addressed into prohibition territory, or in territory where it is unlawful under State laws to advertise or solicit orders for liquor, and

Whereas, The homes of Alabama are, through the mails, being flooded with such advertisements and solicitations of orders for liquors sent by liquor dealers outside of the State, whereby the public policy of the State is defeated, and our laws against solicitation of orders thwarted,

Now, Therefore, be it Resolved:

(1) That the North Alabama Conference of the M. E. Church, South, hereby

protests against the use of a beneficent agency of the Federal Government as a means of aiding outside criminals to violate our State Law and to invade our homes, contrary to our wishes, with their offensive literature.

(2) That we heartily indorse the Federal Bill referred to in the preamble and earnestly request and urge the United States' Senators and the Representatives in the lower House of Congress from Alabama, and all other members of both Houses to use their utmost endeavors to secure the early enactment of the Abercrombie-Bankhead Bill which places literature and circulars of the kind herein named, upon the same plane with lottery tickets and lottery literature.

(3) That a copy of this resolution be furnished by the Secretary to our United States' Senators and Representatives in Congress from Alabama, and also to the Postmaster General at Washington.

(4) That a copy also be furnished to our official organ, the Alabama Christian Advocate.

REPORT OF EPWORTH LEAGUE BOARD

We, your Epworth League Board, note with pleasure the progress of the League in the Conference, as is shown by the fact that we now have seven districts organized, and hope the other five will be organized at an early date. There is a marvelous growth in League spirit and enthusiasm. There appears to be a gain of about 75 per cent in the number of Leagues within the Conference.

Our Board respectfully urge the Pastors to meet us in Decatur at the Epworth League Conference, from June the 14th to 17th, 1916.

We request the Pastors in the unorganized districts to co-operate with the League President in an effort to organize them.

We note with pleasure the progress that is being made in raising the special for Missions in Africa. We recommend that the League be given credit for its exceptional efforts.

Let our Pastors see that Anniversary Day is observed and the collection taken and the proceeds sent to F. M. Cottle, Gadsden, in accordance with paragraph 309 of the Discipline.

We rejoice in the improvement and increasing circulation of the Epworth Era, and commend it to all our Leaguers.

We request that Presiding Elders give a specific hour during the District Conference to the League work, and to notify the Conference President that he may have a speaker for the occasion.

We note with pleasure that the average age of the Leaguers is growing younger.

BOYD T. CANTRELL, Sec.
R. E. TYLER, Chairman.

REPORT OF BOARD OF CHURCH EXTENSION.

We are glad to report that the cause of Church Extension is growing in our Conference; but not as rapidly as we would like to see. We are not strengthening this arm of our Missionary operations as we should; the cry for help is loud and pitiful; our hearts are made sad at our helplessness to answer this call. As a Board, we are helpless, and will ever be, until the Pastors and Laymen composing this Conference shall determine to return home to preach Church Extension to their people.

Two or three years ago we started our Conference Loan Fund. We now have loaned out \$4,480.95 at 4 per cent, and having made the last payment on the Montevalo Church, will add to this Loan Fund each year \$1,000.00, and we ask every member of this Conference to seek contributions to this fund. Our rule is never to grant a donation where a loan can be made to meet the need.

We have now organized under the wise leadership of our Presiding Elder, Rev. L. C. Branscomb, a City Board of Church Extension. We hope and pray that in a very short time this Board will be able to meet all the needs of both churches and parsonages in that great and growing city, and we ask that every

Pastor in this city will do his best to get contributions to this fund for this City Board. It will not only be a great thing for Birmingham, but it will relieve the Conference Board of all appeals from the city for help.

Resolved first, We heartily endorse the proposition of the General Board for a Loan Fund Day throughout the bounds of our Church, and pledge ourselves to co-operate with the Special Committee in making it a success.

Second, Our Preachers and Churches are urged to fall in line with the whole Church in giving the day designated to the interests of Church Extension, affording the people an opportunity to make contributions in cash or subscription, all cash received to be remitted to the general office at Louisville, Ky., and all subscriptions taken, with the amount subscribed and address, sent to the same place.

Third, We recommend that contributions not otherwise directed within the bounds of this Conference, become a part of the Conference Board Loan Fund, which fund is administered by this Board in the interest of church and parsonage building within the bounds of the Conference, through the general office at Louisville, Ky. We recommend also that the amount contributed by the Sunday Schools of this Conference be added to the Sunday School Loan Fund.

Fourth, We urge our Presiding Elders, Preachers, Lay Leaders, Sunday School Superintendents and Epworth League officers to keep this matter before the people, and to so plan that they may be informed on the subject and that they be given an opportunity to make a contribution to the Loan Fund Capital of the Board of Church Extension.

Fifth, We make mention of the fact, for the information of all concerned, that the General Offices at Louisville, Ky., will provide, free of charge, literature, charts, etc., for educational purposes, subscription blanks, and all other necessary printed matter for the proper observance of the day.

REPORT OF BOARD OF EDUCATION.

Your Board is pleased to state that every report and communication submitted to it for consideration indicates an interest in Christian education that is greater than ever before, and that gives promise of continuance. Our colleges are all taxed for dormitory accommodations for their students.

Birmingham College. --

The buildings of the Birmingham College have been improved and beautified, and the grounds have been graded and otherwise made more attractive. There is pressing need for another building, plans for which are being considered, and which will be built in the very near future. This work will be hastened by prompt payment to the financial agent of the subscriptions already made, and by the additional subscriptions which must yet be made to reach the goal of \$250,000, fixed at the session of the Conference three years ago. To date \$196,030 have been subscribed, on which collections amount to \$44,229.23.

To assist the agent in his work, the Bishop is requested to reappoint the same brethren, in each district, who have been the district agents; except where such agent is moved from the district in which he had that appointment. In which case the Presiding Elder of the district is requested to nominate another man to the Bishop for such appointment.

Athens College.

In order to make effective the recommendation adopted by the Conference at its last session in Sylacauga in 1914, namely, that the Athens College be authorized to raise \$100,000.00 for endowment so that its standard as an "A" grade college might be maintained, we recommend that the months of March and April be designated for special campaign work for the endowment of Athens College, and that the ministers and laymen of the Conference shall be urged to lend their fullest co-operation toward the raising of this fund.

We further recommend that the agent of Birmingham College be invited to lend his personal assistance to the furthering of this campaign for the two months named, the Athens College becoming responsible for any items of expense that he may incur in the campaign.

We further recommend that the President and Board of Trustees of Athens College be authorized to raise the amount of \$25,000.00 to cover the present indebtedness resting upon the college property, and that when this indebtedness shall have been relieved, the Conference pledge itself to maintain the assessment of \$4,000.00 now being levied in the interest of Athens College, said assessment to apply on the current expenses of the college.

We do further recommend that the two policies of \$2,500.00 each, aggregating \$5,000.00, on the life of the President of Athens College, assigned by her to the Athens College, and held by the Board of Trustees as an asset of the college, in accordance with the request of the assignor be set aside for the endowment fund of the college, the President of the college continuing her obligation to meet the premiums on these policies as they fall due.

Woman's College.

The reports of the President and Trustees of this institution are to the effect that satisfactory progress is being made, and there is every indication of a prosperous year.

Flat Rock High School.

While this school is responsible to a quarterly Conference rather than to the Annual Conference, we recommend it to the consideration of our people for financial support, and endorse its application to the General Board of Education for an appropriation of \$1,500.00 per year.

Emory University.

We note with pleasure the very favorable prospects under which this new University begins its history. Its theological department, known as the Candler School of Theology, will furnish equipment for an increasingly large number of young men who will enrich the ministry of the North Alabama Conference.

Correspondence School and General Board of Education.

We cannot too strongly recommend the work done by this school for our undergraduates, and we hope that they will avail themselves of the advantages which it affords.

In this connection we call attention to the fact that it offers a valuable course of study for the preachers who have completed the Conference course of study.

Summary

The General Conference Board of Education at its annual session took action recommending that each Annual Conference Board of Education take the necessary steps to secure within its Conference the following:

(1) Academic recognition by public school authorities for academic work done in Bible study outside of school hours.

(2) A statement from public school authorities of the conditions under which academic recognition may be given for academic work done in Bible study.

(3) The co-operation of the churches and Sunday schools, as far as practicable, in giving academic work in Bible study to Methodist students in the high school, for which studies students are to receive credit toward graduation.

The World's Student Christian Federation has set apart the fourth Sunday in February as a Day of Prayer for all colleges. It is also usual for each of the large denominations of the country to set apart a Day of Prayer for its own colleges. It is desirable for the Day of Prayer for Colleges to be uniform for the different denominations and in conjunction with the day set apart by the World's Student Christian Federation. Therefore the Council of Church Boards of Education and the General Conference Board of Education have both recommended, in setting apart a Day of Prayer for your colleges, that you consider selecting Thursday before the fourth Sunday in February. We fully endorse all these propositions.

REPORT OF COMMITTEE ON CHARTERS AND DEEDS.

To the North Alabama Conference of the Methodist Episcopal Church, South.

The Committee appointed at the last session of the Conference to investigate the Charters and the title to the property of the several Educational Institutions which the Conference maintains in whole or in part, respectfully report:

We have examined the Charters of the Athens Female College, the Birmingham College, and the Woman's College, and we find that each of these Institutions is duly incorporated.

The Athens Female College.

The Athens Female College was originally incorporated by an Act of the Legislature of Alabama, approved January 9th, 1843, by the name and style of "The Trustees of the Female Institute of the Tennessee Annual Conference of the Methodist Episcopal Church," at Athens, Alabama.

Section two of this Act confers power upon a majority of the Trustees to fill all vacancies which may occur from any cause, "Provided that no appointment made by said Trustees shall extend longer than the ensuing session of the Annual Conference, and provided further that the Conference aforesaid (Tennessee Annual Conference) shall at its annual session, have power to fill all vacancies which may have occurred as aforesaid."

By an Act of the Legislature, approved February 11th, 1872, Section one of the foregoing Act was amended so as to change the name of the Corporation to "The Trustees of the Alabama Female Institute," and on February 11th, 1889, Section one was again amended so as to change the name to "The Trustees of the Athens Female College."

Section two does not appear to have been amended or repealed.

By the Constitution of Alabama of 1901, the Legislature was prohibited from passing Special Acts conferring Corporate powers. It provided, however, that General Laws shall be passed under which corporate powers may be obtained, and by which Charters may be altered or amended.

On October 1st, 1903, the Legislature passed an Act providing for the amendment of the Charters of Educational Institutions. Section one of this Act reads in part:

"Any Educational Institution heretofore established or chartered by an Act of the General Assembly of Alabama, with power to grant Diplomas and confer Degrees, earned and honorary, may change its name or otherwise amend its Charter by complying with these requirements."

Under this Act the Trustees of the Athens Female College, on October 26th, 1904, adopted a resolution for the purpose of amending the Charter so as to fix the number of Trustees at seventeen, two of whom should be Ex Officio members, namely, the Presiding Elder of the District in which the College is located, and the Preacher in charge of the Athens Station, and the remaining fifteen should be elective members, seven of whom should be clerical members of the Methodist

Episcopal Church, South, Preachers of the North Alabama Conference, and eight Lay Members of said Church. It is provided that the elective members and their successors should be elected by the North Alabama Conference, in annual session, upon the nomination of the Board of Trustees of the College.

On November 20th, 1905, the Board of Trustees adopted another resolution as an amendment whereby it is provided that all vacancies in the Board of Trustees shall be filled upon the nomination of, and election by the North Alabama Conference, in annual session.

It would appear, therefore, that if these amendments of the Charter were authorized by the Act of the Legislature, providing for the amendment of Charters of Educational Institutions, the Athens College would be under the control of this Conference, by virtue of the Conference having the power of electing the Trustees.

As will be noted, this Act authorized the amendment of Charters of Educational Institutions with power to grant Diplomas and confer Degrees.

Prior to the Constitution of 1901 the Legislature passed many Special Acts incorporating Educational Institutions. Some of these Acts expressly authorized granting of certificates of proficiency, while others were silent in this regard.

The Charter of Athens College is silent in regard to the granting of Diplomas, and the conferring of Degrees. In 1869 the Board of Trustees adopted a By-Law authorizing the President of the College to grant Certificates and Diplomas. Under this By-Law the College has granted many Diplomas, and their regularity is not questioned.

After a careful consideration of the several Acts of the Legislature of Alabama herein mentioned, your Committee has reached the conclusion that the Act of 1903 authorized the amendment of the Charters of only such Institutions as had been expressly empowered by the Act of Incorporation to grant Diplomas and confer Degrees.

It therefore follows that as Athens College is not expressly authorized by its Charter to grant Diplomas and confer Degrees, the amendments of the Charter attempted in 1904 and 1905, are, in the opinion of your Committee, ineffectual, and the Charter of the College is the original Act of incorporation of 1843 as amended in 1872 and 1889.

By an Act of the Legislature, approved September 10th, 1915, the Statute authorizing the amendment of Charters of Educational Institutions has been so amended as to authorize the amendment of the Charter of any Educational Institution heretofore incorporated under Special Act of the Legislature, or under the General Laws of the State. This Act provides, among other things, that the amendment must be approved by the persons or organization having the power to elect or appoint Trustees.

Under this Act the Charter of Athens College can be amended so as to vest in this Conference the power to elect the Trustees.

Resolutions appropriate to this end have been adopted by the Board of Trustees since the Conference convened.

Your Committee recommends that these resolutions be approved by this Conference, and that as by the original Act of Incorporation, the Tennessee Conference was authorized to elect the Trustees, the approval of the resolutions by that Conference also be obtained.

Your Committee attaches to this report a copy of the several Acts of the Legislature of Alabama relating to the Athens College, and a copy of the Act of 1915 authorizing the amendment of Charters of Educational Institutions.

It is not to be inferred that the acts of the Board of Trustees in the management of the College property, or the transaction of its business, are not valid, or that the title to its property is defective. We have examined the title to its property, and in our opinion the title is good. The deeds, however, do not contain the trust clause provided by the Discipline to be incorporated in the deeds to Church property.

The Board of Trustees has executed a declaration of trust that removes any question in regard to the trust clause in the deeds.

The Birmingham College.

The Birmingham College was incorporated by an Act of the Legislature, ap-

proved December 14th, 1898, under the name of the North Alabama Conference College. It is expressly authorized to grant Diplomas, and confer Literary Degrees. Under the original Charter vacancies in the Board of Trustees were filled by the remaining Trustees.

The Board of Trustees have made three amendments to the Charter, under the provisions of the Act of October 1st, 1903. By these amendments the name has been changed to Birmingham College, and the Trustees are elected by the Conference. The Committee is of the opinion that the amendments have been properly made and are a part of the Charter.

The Committee is of the opinion that the title to the property of the College is good. Some of the deeds, however, do not contain a trust clause in accordance with the Discipline.

The Woman's College.

The Woman's College was incorporated under the General Laws of the State of Alabama on the 15th day of June, 1911. One-half of the Board of Trustees is elected by the Alabama Conference, and one-half by the North Alabama Conference.

The title to its property appears to be good and the deeds contain a trust clause in accordance with the requirements of the Discipline.

The members of the several Boards of Trustees and other officers of the Colleges have been ready to assist the Committee in its work, and we desire to express our appreciation for the courtesies shown us.

At this session of the Conference, it has been referred to this Committee to investigate and report on the status of the legal Conference.

We have not had an opportunity to examine the documents relating to it in time to report at this session, and ask that on this matter we be given further time. Respectfully submitted,

F. L. ALDRIDGE,
W. E. MORRIS
W. P. ACKER,
Committee.

Be it enacted by the Legislature of Alabama, That Section 3589 of the Code of Alabama, of 1907, be amended so as to read as follows: Sec. 3589. Amendment of Charter. Any Educational Institution heretofore incorporated under Special Act of the Legislature, or under the General Laws of the State may amend its Charter as follows: The Trustees of the Corporation must adopt a resolution embracing the desired amendment of the Charter, which must be spread upon the Minutes of such Trustees. If the Trustees are not self-perpetuating but are appointed or elected by any persons or organization other than the Trustees themselves, a resolution embracing the desired amendments to the Charter shall be submitted to the persons or organization having the power to elect or appoint the Trustees and such resolution shall be approved by the person or organization having the power to elect or appoint Trustees. The resolution must then be submitted to the Governor, together with the approval of the persons or organization having the power to appoint or elect the Trustees, and if the amendment is approved by the Governor, he shall endorse his approval upon such resolution. It must then be filed in the office of the Secretary of State, and when so approved and filed, it shall become a part of the original Charter of such institution.

To the North Alabama Conference of the Methodist Episcopal Church, South, at Athens, Alabama:

The Trustees of the Athens Female College herewith submit to you for your approval in accordance with the provisions of an Act of the Legislature of Alabama approved Sept. 10th, 1915, a resolution for the amendment of its charter, unanimously adopted at a meeting of said The Trustees of the Athens Female College on Friday, Nov. 5th, 1915, a due call therefor, and due notice thereof having been issued prior to said meeting, there being present and voting at said meeting a duly constituted quorum, which said resolution is in words and figures as follows:

REPORT OF THE TREASURER OF LEGAL CONFERENCE.

To the Trustees for The Legal Conference of the North Alabama Conference—
Brethren:

As your Treasurer, I beg leave to submit my annual report. The condition of the assets of your Conference has not changed since my last report. I have on hand six \$1,000.00 bonds of the Pratt Consolidated Coal Company, for which I paid five thousand dollars. These bonds bear interest at the rate of five per cent and it is payable semi-annually and thus gives six per cent income on the amount invested. These bonds have been running already for ten years and have never failed to pay the dividend promptly. They mature in 1955.

I also have seventeen shares, \$1,700.00, of the preferred stock of the Moore-Handley Hardware Company, paying seven per cent dividend, which is paid in one and three-quarters per cent every quarter. This stock, consisting of \$110,000.00, has back of it as security, \$650,000.00, consisting of the capital stock and surplus of the Moore-Handley Hardware Company. Your treasurer feels that your money is securely invested and in a way that you will always receive your dividends regularly and without the least trouble.

The face value of Bonds and Stock total \$7,700.00 representing an investment of \$6,700.00.

Herewith I hand you my check for the dividends for the Conference year now ending amounting to \$410.00. It would doubtless be gratifying to you brethren to see this fund increased by further donations until a large endowment was secured, which would be welcome at the close of the year when you come to dispense to your needy and dependent claimants. Can something be done?

Faithfully yours,

J. D. MOORE,
Treasurer.

REPORT OF THE AMERICAN BIBLE SOCIETY BOARD.

We are glad that it is the policy of our Church to recommend to its members The American Bible Society, and ask them for an offering for this helpful institution. For 99 years this society has been doing its part of the great work of giving the Word of God to the world. In its first year, 1816, the society printed and circulated 6,410 Bibles in one language. In its 99th year, it printed and circulated 6,388,717 volumes in 112 languages. Its receipts the first year were \$37,779.00. Its budget for 1914 was \$764,960.10.

The effect of the war on the religious world has been a double one. It has completely paralyzed, or greatly hindered missionary operations in various parts of the world and, on the other hand, there are signs of promise in the quickening of the heart and conscience of the world, and men and nations seem more willing to hear God himself speak.

Preparations are being made for the centennial, which will be in 1916, and we recommend that our pastors join in this celebration by holding suitable services in our Churches throughout the Conference.

We offer the following resolutions:

Resolved, 1st. That this Conference appoint a committee to confer and co-operate with the Corresponding Secretaries in New York, and the Agency Secretary, Dr. Browne, at Cincinnati, Ohio, for the observance of centennial of the American Bible Society in the State of Alabama.

2nd. That this Conference appoint one of its members to address this Confer-

ence in 1916 annual meeting on the American Bible Society and its work, especially in connection with the M. E. Church, South, at home and abroad.

3rd. This Annual Conference urges all our ministers and charges to observe "Bible Day" and have presented to the people the Centennial of service of Bible work as accomplished by the American Bible Society.

J. H. VANN, President.

HARRY P. WHITE, Secretary.

H. M. STEVENSON, Chairman.

R. E. TYLER, Secretary.

REPORT OF THE DIRECTORS OF THE ALABAMA METHODIST ORPHANAGE.

There are one hundred (100) children in the Orphanage; fifty-one (51) from the North Alabama, and forty-nine (49) from the Alabama Conference. The report of the Treasurer, C. M. Howard, President of The People's Bank & Trust Co., Selma, Ala., shows that we have about \$500.00 less cash balance than the amount on hand last year same date. The Conferences have lacked that much contributing as much as last year.

We have erected fire escapes, and this adds very much to the safety of the small children in the case of fire. This cost us \$420.00. We have also paid four notes, totaling \$3,000.00 and interest, on the indebtedness, reducing balance due on property to \$4,500.00.

We have loaned the first payment made us by Chancery Court on Birmingham property at 8 per cent. We receive 6 per cent on balance due on this property.

The appraisement of the assets, acocunts and property of the Orphanage by Brothers S. A. Fowlkes, B. S. Bibb, and J. Percy Day, insurance and real estate dealers, shows we own:

80 acres land in Jasper, Ala.....	\$ 1,000.00
35 acres land adjacent to Orphanage.....	3,500.00
18.16 acres land and buildings.....	55,000.00—\$59,500.00

LIVE STOCK:

Horses, mules, cows, yearlings, hogs, etc.	\$ 1,847.00
---	-------------

DUE ON PROPERTY SOLD:

Note J. M. Batte, Summerfield.....	\$ 615.00
Note S. W. Miller, Jasper.....	400.00
Birmingham property	26,600.00—\$27,615.00

PERSONAL PROPERTY:

House furnishings and farimng utensils.....	\$ 2,656.25
	<u>\$93,618.25</u>

Since this appraisement, friends in Selma have installed an electric churn, large high class refrigerator, and other gifts which easily represent.....

Total valuation	\$ 1,500.00
	<u>\$95,118.25</u>

We carry \$25,000.00 insurance.

We are gratified at the faithful training of the children. They are well-be-

haved, neatly dressed, and show in participation in church service that they are receiving the best religious instruction. Rev. J. C. Craig was re-elected Superintendent, and Bishop Collins Denny is requested to appoint him for another year. We recommend the re-election of Dr. L. C. Branscomb, the outgoing director, for a term of five years.

J. M. DANNELLY, Secretary.

HENRY L. BOOTH.

was a member of the North Alabama Conference, and served Montevallo Station in 1871, then transferred to the Tennessee Conference and served several years. (No memoir was furnished.)

George Luckie Jenkins.

The subject of this sketch was born near Ft. Deposit, Lowndes County, Alabama, July 22, 1863, and died at Ensley, Alabama, March 13, 1915. His father, Rev. A. J. Jenkins, was a minister of the Protestant Methodist Church, and a member of the Alabama Conference of that Church. He died about a year after George L. Jenkins was born. The mother of Brother Jenkins was Miss Georgia Josephine Watson. He leaves one brother, Mr. A. J. Jenkins, of Letohatchie, Ala., his wife, eight children—John Lewis, George L., Jr., James Andrew, William Harrison, Edward Schuessler, Joseph Embru, Frank Willard and Myrtis. He joined the Methodist Episcopal Church, South, September 4, 1874, at the age of 11 years; was licensed to preach in November, 1886; graduated from the Southern University, June 10, 1888. After his graduation, he was appointed a supply on the Birmingham Circuit, at that time one of the best circuits in the North Alabama Conference. This important charge the young preacher served for five and one half months with great success and acceptability, receiving seventy-seven members before Conference. The following fall, November, 1888, he was admitted on trial in the North Alabama Conference, in which he served continuously until his death. He was ordained a deacon by Bishop Granbery, at Birmingham, in November, 1890, and an elder by Bishop Keener, at LaFayette, in November, 1892. On January 25, 1898, he was married to Miss Myrtis Schuessler, the youngest daughter of the Hon. Lewis S. Scheussler, of LaFayette, Ala. This was a most happy union, and one that God blessed. Mrs. Jenkins has made a faithful companion, and her quiet influence on her husband was apparent to all who knew them well. His success in the ministry was due in no small measure to her help and influence.

The record of Brother Jenkins appointments in the North Alabama Conference is one of uniform success. He got results wherever sent. He served the following charges:

North Birmingham, two years, 1889-1890, building two churches and receiving 180 members.

Madison Station, one year, 1891, building a parsonage and receiving 76 members.

Tuscumbia Station four years, 1892-1895, receiving 384 members.

Bridgeport Station two years, 1896-1897, receiving 48 members.

Bessemer Station one year, 1898, receiving 32 members and building a parsonage.

Roanoke Station four years, 1899-1902, building a parsonage and receiving 156 members.

First Church, Anniston, two years, 1903-1904, receiving 186 members.

New Decatur Station three years, 1905-6-7, receiving 386 members.

Tuscaloosa Station two years, 1908-1909, building parsonage and receiving 106 members.

Presiding Elder Talladega District three years, 1910-11-12.

Florence Station one year, 1913.

First Church, Ensley, two years, 1914-1915.

Brother Jenkins was "a good man and full of the Holy Ghost and of the faith." His consecration to the work of the ministry was whole-hearted. This one

thing he did—and with all his might. It is no wonder, therefore, that he made the impression on all who knew him that he was a man of deep piety, of intense earnestness and restless zeal.

The faith of our brother was as simple as that of a little child. Indeed, his guilelessness of spirit was one of his most striking characteristics. That simple, unquestioning faith manifested itself in his prayer, life and habits. No one who ever heard him pray or preach could doubt that he knew God and lived in intimate communion with Him. One with whom he boarded on his first charge, himself a devout and intelligent Christian man, said to the writer: "Brother Jenkins prays more than any man I ever knew." His simple faith manifested itself further by his acceptance without the shadow of questioning, of God's Word and of its evangelical interpretation and application. Matters of criticism he left to others. He had a commission to preach the Word, and he felt that his message would be a failure if the Holy Spirit did not manifest himself in it.

As a preacher, Brother Jenkins never failed to sound the note of evangelism. He preached, expecting God to use his message immediately to bring men to Christ. Really, he was a great revivalist. He preached on those cardinal doctrines that the Holy Spirit has honored always in the awakening and conversion of men—and it was great preaching. The writer heard him for ten days in a revival some six years ago, and it was his verdict that a stronger series of gospel sermons he had never heard. At times the power of God was on him in a way to fill his audience with profound awe. At such times sinners were smitten with conviction, and cried out, while saints rejoiced in the old-time way.

Brother Jenkins was a man of virile qualities; yet in him there was the tenderness and simplicity of childhood. He had a great heart. He loved his way through the world. In his own home, as husband and father, he became a transfigured man—the glory of devotion seemed to be upon him as a halo. In the circle of his friends, he never had a secret. To his own hurt sometimes he wore his visor raised. But the hurt never caused him to lower it. What was in his heart the world was welcome to read as from an open book.

The writer has seen many saints die and many triumphant deaths have been witnessed, but never has he seen a death like that of George L. Jenkins. Knowing that the end was approaching, he calmly set his house in order. First, he made what provision he could for the care of his family, and then every thought of temporal affairs left him and he seemed conscious only of the reality of the spiritual world. The last two or three days of his life he spent in a mount of glory. Incessantly he quoted Scripture, sang, prayed, preached and shouted. People came to his room and listened and wept, and went away as from the precincts of heaven. One of his members said to me: "Brother Jenkins has done a great work for us here, but the greatest sermon he ever preached was his glorious death." His last words were: "Love has conquered." Indeed it had. For love is a thing of eternities. Time and place cannot detain it. Death itself has no power to separate us from the love of God, which is in Christ Jesus. Yes, "Love has conquered," when through the dark iron gate of death our brother swept like a prophet in chariot of fire to join Him "who hath abolished death and hath brought life and immortality to light through the gospel."

MILUS EDDINGS JOHNSTON.

Rev. Milus Eddings Johnston was born near the county town of Lebanon, Wilson County, Tenn., July 26, 1823. In his early boyhood days his father, Oliver Campbell Johnston, removed to Jackson County, Tenn., near the old Wartrace Camp Ground, where he lived till he reached his manhood. On September 12, 1839, having just entered his seventeenth year, he was born of the Spirit at the above-named camp ground. At the same time he was wonderfully impressed that his mission in the world was to preach the unsearchable riches of Christ. Therefore, as he himself expressed it, "conferring not with flesh and blood," he began his life's work by exhorting sinners to prepare for eternity by fleeing from the wrath to come. Soon the Church of his choice (Methodist) gave him license to exhort. As an exhorter in the Church he labored for a few years to the entire satisfaction of each. But as his field was to be a larger one and feeling the Divine call, on August 16, 1845, he was granted a license to preach as a local preacher. This was done by the Quarterly Conference of the Wartrace Circuit. Rev. G. W. Martin was the Presiding Elder at that time, his license bearing his signature. In July of 1847

and 1848 it was renewed by Rev. William Burr, and in October, 1849, by Rev. John F. Hughes. On October 28, he was ordained deacon at Sehlbyville, Tenn., by Bishop William Capers.

In October, 1851, Conference convened at Lebanon, Tenn., Bishop Paine presiding. At this Conference, with a number of other men, including our own "Uncle Jerry" Cullom, he was received on trial into the Tennessee Conference and assigned to the Smith Fork Circuit, which then embraced twenty-six appointments. It seems that he served this charge two years, as it is noted that at the Conference in 1853 he was assigned to the Carthage Circuit, which then included Alexandria and a vast deal of contiguous territory. He served this charge for two years. His health failing at this time, he called for and received the superannuated relation, and at once moved to Madison County, Ala.; but it is noted that while holding this relation he preached as much, or more than, the preacher in charge on the Madison Circuit. This was in 1855. At the next Conference, in 1856, he again accepted work, and was assigned to the Vienna Circuit, remaining there two years, then to the Larkinsville Circuit, then back again to the Madison Circuit. At the next Conference he was sent to the Fayetteville Circuit. The second year here he accepted both the station and the circuit, the preacher in charge of the station having enlisted in the War Between the States. While on this charge, the Federal army having taken charge of the country, would not let him fill his appointments. After arresting, threatening, rearresting and threatening, as he expressed it himself, they ran him out of the pulpit into the Confederate army, where he commanded the Twenty-Fifth Alabama Battalion. In the month of May, 1865, he surrendered this command in Huntsville, Ala., and soon thereafter re-entered the regular itineracy. Soon after the war that part of the Tennessee Conference embracing North Alabama was organized into a new Conference, of which he became a charter member. Working in this until he lost his hearing, he was forced to ask for the superannuate relation, which he held until God said: "It is enough; come up higher."

I shall now go back to his young manhood. In the early part of his twentieth year he was very happily married to Susan A. Ray, who, being a truly consecrated Christian woman, became the mainstay and brace of his itinerant life, encouraging and pressing him on at all times to better things. To them were born five children—three boys and two girls—of whom four still live, the eldest child, a girl, having died while in school at Huntsville Female College in young womanhood. Sometime, about 1846, he received the first degree in Masonry at Gainesboro, Tenn., and in 1852 or 1853 he joined the Odd Fellows at Alexandria, at which place he held his membership in both of these orders at the time of his death. One of the greatest sorrows of his life came in 1853, while living at Alexandria, Tenn., in the death of the companion of his youth.

This is a strange coincidence: A few days before his wife died she had this unusual dream. I give it as nearly as I can in his own words. "The dream was in the year 1853, in the town of Alexandria, Tenn. We were living in a little cottage near where the Methodist church now stands. It was my second year on the charge. I do not recall the exact date. It must have been after the middle of the year. In those days people did most of their traveling on horseback. One morning before we got out of bed, calling me by name, she said: 'I had a dream last night. I dreamed that we were mounted on milk-white steeds, compassed about with white robes, riding side by side along the most beautiful macadamized road I ever saw. Our steeds arose and flew, and a multitude of angels joined us. Mine,' she said, 'lighted here, but yours sailed away yonder,' waving her hand as though it were a long way off. 'Then,' she added, 'I am going to die first.' I do not remember how long it was, but in less than a month she was with the King of kings and the Lord of lords." He added: "I do not rely much on dreams, but that is a dream that will last as long as my mind is on the throne."

While on the Vienna Circuit, some years after the death of his first wife, he was married to the widow Finley, daughter of James Hame. To this union four girls were born. After her death he made his home with his youngest daughter, Fannie, until 1909. His son, John H., brought him back to his native State, where he spent the last days of his life with him and his daughter, Mrs. Lou P. Ellis. Thus, at the age of ninety-two years, two months, and fourteen days, ended one of the most remarkable lives it has been my privilege to know

H. M. JARVIS.

CLARENCE F. REID.

Rev. Clarence F. Reid, D.D., Secretary of the Laymen's Missionary Movement of our Church, died October 7, 1915, at the home of his sister, Mrs. G. N. Buffington, Erlanger, Ky.

He was the son of Dr. G. L. Reid and Louisa Tilotson Reid, and was born July 19, 1849, at South Oxford, Chenango County, N. Y. His father died when C. F. Reid was seven years old. Following the death of his father, the son lived with his uncle at Binghamton, N. Y., where also his mother lived. He attended the schools of Binghamton. He attended also the State Normal School at Fredonia. He was converted at St. Louis, Mich., and joined the Methodist Episcopal Church at Sardis, Mason County, Ky. He was licensed to preach at Sardis in 1874, and preached his first sermon at the old Shannon Church, in Mason County, Ky. In September, 1874, he was admitted on trial into the Kentucky Annual Conference. He was appointed as missionary to China by Bishop Pierce in 1878. He was appointed Superintendent of the Korean Mission by Bishop Hendrix in 1896. He was appointed Superintendent of the Woman's Home Mission Society work on the Pacific Coast in 1902. He was also a representative of the Board of Missions on the Pacific Coast in 1903. He was twice President of the China Mission Conference. From 1880 to 1884 he was Presiding Elder of the Soochow District, China Mission Conference; 1886-90, Presiding Elder of the Shanghai District; 1892-96, Shanghai Station. From 1896 to 1902 he was in Korea, except for a year or more, when he was compelled on account of ill health, to make his home in the United States. For some years following 1902 he was Superintendent of Oriental Missions on the Pacific Coast. In 1910 he was elected General Secretary of the Laymen's Missionary Movement, and was re-elected in 1913. He was a delegate to the Ecumenical Conference of 1891 and to the General Conference of 1902. He was married twice—first to Miss Mary Bowman Wightman, May 1, 1877, then to Mrs. Blanche Miller, January 7, 1903. There are six living children—four sons and two daughters. Since 1912, he has been a member of the North Alabama Conference.

Dr. Reid had been in feeble health since early in the present year. When the Board of Missions met last May he was granted an indefinite leave of absence, and he went to the home of his sister, Mrs. G. N. Buffington, Erlanger, Ky., for rest and recuperation. About September 1st, he returned to Nashville and again entered actively upon his work. Those who saw him then realized that he was not able to take up his work; but with determination to give his life, if need be, to his Lord's service, he went forward with true Christian heroism. He soon realized that his work was done, and went back to the home of his sister. There the summons from his Lord came on the evening of October 7, and on the afternoon of October 9 his body was laid to rest in the cemetery at Erlanger, Ky.

In the death of our beloved brother the Methodist Episcopal Church, South, loses one of her most useful sons. In missionary information and in the ability to present clearly the great missionary question of the day no man of any branch of Methodism outranked him. As a platform speaker he was in demand beyond the borders of our Methodism, and in his own Church he was universally recognized as a great leader in missionary effort.

Those who were privileged to know him personally bear witness to the fact that he was a man of genuine consecration and one who gave himself unreservedly to the Lord's service. He proved in life and service the genuineness of his faith. To him the great truths of the Christian faith were experimental truths; he knew whom he believed and helped others to a living faith in Jesus as a personal Savior. In his going away we are bereaved, but he leaves a record of service that his Church will keep in loving remembrance.

J. S. CHADWICK.

ROBT. A. SPEER.

Rev. Robert A. Speer was born about the year 1845; as to the place of his birth and early life, we have no data at hand to guide us in this paper.

He was admitted on trial in 1880, and served the following charges:—1881, Lentzville Circuit; 1882-3-4, Bexar Circuit; 1885-6-7-8, Cedar Bluff Circuit; 1889-90-91, Carrollton Circuit; 1892, Center Circuit; 1893-4-5-6, Lineville Circuit; 1897, supernumerary; 1898-9, 1900-1, superannuated; 1902, Agricola Mission. At the Conference session of 1902 he was granted the superannuate relation, which relation he sustained at the time of his death, in January, 1915.

He was a true and pure man; not a thing was ever brought against his Christian character. His love and devotion to his family and friends was beautiful.

Brother Speer was a strong preacher; he was naturally a man of a strong and vigorous mind, and by hard study he had a firm grasp of the great fundamental doctrines of the Bible, and he sometimes preached with great power. He was fond of preaching the doctrines of the Methodist Church; in these he was well grounded. He was a good pastor, watched faithfully over the flock committed to his care; he went into the homes of his people, read and explained the Holy Scriptures, talked with them of their spiritual condition and then prayed with them.

He made full proof of his ministry; he finished his course; he kept the faith; he received the crown.
